On behalf of the entire G.W. Graham Secondary School, we want to thank the multitude of donors who have generously sponsored our graduating class of 2020 during this unprecedented time. Their support and assistance through scholarships, bursaries, and awards, will help G.W. Graham students continue to pursue their future endeavours. It is because of their sponsorship that the Graduation Class of 2020 has been awarded over \$400,000 in funding to help them in the next phase of their educational accomplishments. The generosity of our donors is greatly appreciated, and we sincerely thank them.

G. W. Graham is a creative community of learners, challenging each other to **CARE, INQUIRE, DISCOVER, EXPLORE** and **ACHIEVE**. We are dedicated to developing compassionate citizens of the world.
