What can the Career Centre do for YOU!

- **Provide students with the opportunity to investigate a career of their choice.**
- **Provide information regarding scholarships and post secondary education opportunities.**
- **Post online information on Post Secondary Open Houses and Information Session.**
- **Help set up Student Transcript Services so you can obtain a copy of your Transcript.**
- **Provide students with employment marketing (cover letter, resume, interview skills, etc.)**
- **Provide students with information about volunteering or working in our community.**
- **Provide information on enrichment opportunities to help further explore interest**
- **Interviewing grade 10 students to have a career conversation and connections**
- **Provide students with trade support and coaching for Regional Career Programs, YOUTH TRAIN IN TRADES, and YOUTH WORK IN TRADES**

The Career centre will assist students to explore their future in a flexible and personalized learning environment where they will be mentored in the discovery of their passions, interests and career aspirations.

Upcoming Events!

Radiation Therapy Clinical Educator– November 9@ 11:12am-11:52 am (Lunch) Room C239

Gillian Long from BC Cancer will be here during lunch to do a presentation on Radiation Therapy. Open to any students with an interest in sciences as well as healthcare. BC Cancer will be expanding within the next 5 years and the need for radiation therapists will be at an all-time high. Gillian will talk about this amazingly career and some prerequisites to the program that students would benefit to learn about while still in high school

MD Outreach Ambassador Program– November 15 @ 6:00pm via Zoom

What Is the Ambassador Program? The Ambassador Program is an outreach program led by UBC's Faculty of Medicine MD Admissions office. It enables current medical students to share their perspective on what it means to have a career in medicine. Interested students see Mrs. Hari in Careers Centre
