Discuss your course selections with your parents and keep the following points in mind:

- All students must select three alternate (2nd) choice elective courses. Alternate choices will be scheduled if we are unable to schedule 1st choice selections.
- Grade 10 students have priority in Grade 10 classes.
- **Accelerated courses are available, please contact your (alpha) counsellor directly.**
- Out of Timetable (OT) classes can be offered before or after school. Scheduled time is not determined until the school begins to build the timetable.
- GrahamX is an integrated program, which includes 4 courses: English 9, Social Studies 9, PHE 9, and Science 9. See page 18 of the *Course Booklet and Planning Guide* for more information. NOTE: students enrolled in GrahamX will be scheduled into all 4 courses. Space is limited in the program, so students who are not selected for GrahamX will be scheduled into regular courses.
- All elective courses are subject to sufficient enrollment. Courses will only run if there are enough students requesting the course to fill a class.
