

G. W. Graham Grizzly Announcements

Monday, April 14, 2025

(Day 1)

A / B / Lunch / C / D

Math Tutoring Club

Attention math 9 and 10 students! Do you need extra help with your math? Stop by Ms. Krause's room C174 on Tuesdays at lunch and Thursdays after school to get on-on-one help with your math from other math students. See you there!

Sr Varsity Girls Soccer

The Sr Girls Soccer team will be playing their next game at home against Sardis! Come out on Tuesday, April 15 and cheer on your team. Wear your school colors to show your support! Kick off is at 3:30pm at our home field, Tzeachten Sportsfield.

Remember, game is on Tuesday! Let's fill the stands! Go Grizzlies!

Message from the counsellors

This is an important announcement from the counselling department to let you know that summer learning registration has opened. Both repair and course completion options are available. If you are a student that is unsure about whether you will pass a required graduation course or wish to get ahead and complete an additional academic, summer learning could be for you. If you are interested and want to learn more, please contact your school counsellor. Have a great day!

This is a message from Ms. Hancock to all students who identify as Indigenous.

Check out your TEAMS for ongoing programs and opportunities. These are updated regularly. Don't miss out on all the ways the Indigenous Success Coach can help you succeed at GWG and beyond.
