Asian and Pacific Islander Heritage Month

Did you know that May is Asian and Pacific Islander Heritage Month? Asian Heritage Month is an opportunity for us to learn more about the diverse culture and history of Asian communities in Canada, as well as to acknowledge the many achievements and contributions of people of Asian origin who, throughout our history, have done so much to make Canada the country we know and love. Today, look for colored envelopes taped around the school. These envelopes will have Asian Heritage quiz questions that you can receive a prize for answering correctly.
